DELORES ANN EVANS, Daughter-in-law, was appointed as Executor with Full IAEA without bond and Letters issued on 5-21-02. Nothing further was filed.

On 9-11-13, the Court set this status hearing for failure to file Inventory and Appraisal and Failure to File First Account or Petition for Final Distribution. Notice of Status Hearing was mailed to Delores Ann Evans on 9-11-13.

Note: The original petition for probate filed 4-12-02 estimated real property valued at \$150,000.00.

Note: Decedent's will devises the estate to Delores Evans and two grandchildren Julie Ann Smith and Michael T. Evans.

Minute Order 11-8-13: The Public Administrator is appointed as special administrator for the limited purpose of conducting a title search of the real property and contacting Julie Smith and Michael Evans. Continued to 1-31-14.

Status Report filed 1-24-14 by Public

Administrator states Deputy Public Administrator Noe Jimenez spoke with Ms. Smith. She reported that the real property was sold in 2002 and proceeds were distributed per the will. She recalled that medical bills were paid and she waived her right to fees as executor. She said her attorney Stan Levy (now deceased) handled everything.

Deputy Jimenez contacted Chicago Title Company to conduct a title search on the property. Attached is the seller's settlement statement from 5-24-02 showing distribution to Delores Evans, Julie Smith, and Mark Evans (believed to be the same person as Michael). Ms. Smith said she has not spoken to her brother for many years and does not have contact information for him.

The Public Administrator was appointed simply to determine the status of the property and make contact with the beneficiaries. As both have been done, Public Administrator requests to be discharged as Special Administrator.

Verified		Status Declaration Re Filing of Inventory & Appraisal filed 12/12/13 states: The only real property asset of the estate is the decedent's residence on Adams Avenue in Fresno. It has been discovered that before her death, the decedent sold an adjoining parcel of real property to a third party. It now appears that the water well which services the decedent's residence may be located on the property that was sold. If the residence is without a water source, the value of the residence would be substantially diminished. The Executrix plans to sell the property during the pendency of this probate. She has initiated discussions with the party who purchased the adjoining property to resolve the water issue. The value of the property cannot be determined until a resolution is reached regarding the water supply. Petitioner requests a continuance in order to resolve this issue.
